Leon MacDonald, a Hall of Fame trainer has had great success with horses bred by South Australians, stretching back to 1986 with the GR1 SAJC Derby winner French Cotton. By Lindsay Park's (Angaston) Sire Estaminet (GB), second dam by Dibden Park's (Oakbank) Sire, Attalus, third dam by Balcrest Stud's (Balhannah) Sire, Coronation Boy.

A string of GR1 winners followed. Mine Gold, Gold Guru, Serious Speed, Dilly Dally, Rebel Raider and Southern Speed. He also trained the locally bred Gold Coast Magic Millions 2YO winner Augusta Proud.

Leon has already been recognised by the South Australian Thoroughbred Breeders, receiving The Matrice Award in 2011 for his outstanding results with SA Bred horses.

We wish Pam and Leon well in retirement, with the training business continuing on at Bray Street as usual, with Leon's long time training partner and son in law, Andrew Gluyas taking the reins. We wish them continued success with South Australian bred horses.

Sam Hayes – calls "time" on the SA Breeders Committee

Sam Hayes has served on the Committee since 2011. A former President, he has been a good ambassador for The SA Thoroughbred Breeders, giving his time freely for the greater good.

With Sam's venture into Real Estate (Toop & Toop Rural) going from strength to strength, Sam is retiring from the Committee to concentrate on his new venture.

He will be missed.

Thank you, Sam, from the SA Thoroughbred Breeders.

Meet. Grow. Lead. Thoroughbred Breeders Australia introduce 'Next Crop'

TBA is delighted to announce the creation of a new group for young people in the industry, TBA Next Crop.

The group has been created with the aim of providing those aged 36 and under with the chance to network with their peers in the industry, as well as the opportunity to continue their professional development and education.

Entry will be open to anyone who has an interest in breeding and will also provide access to a number of exclusive events. Further details here https://www.tbaus.com/_next-crop/
